

The answers to the following questions in the BASEC submission form have an influence on the type of documents that have to be submitted (on screen 6, and in multicentric projects on screens 7 to 13):

SCREEN 1

- Your application concerns
(and sub-question for option 'further use')
- How many research sites in Switzerland are involved in the project?

SCREEN 2

- Type of clinical trial
- Risk category
- Does your study involve ionising radiation?
(and sub-questions, depending on your answers)

SCREEN 3

- Your data/material is (coded / non-coded)
- Consent for further uses of data/material

SCREEN 5 (ADDRESSES)

- Applicant («Gesuchsteller», «Requérant», «Richiedente»)
